Frank Platzar Legacy

Strength Integrity Service

A life-long student, as well as educator and coach, Frank Platzar believed that there was always more to learn, as well as countless opportunities to serve others. He loved working with athletes of all ages and skill levels. He found coaching young kids in little league baseball or CYO wrestling just as fulfilling as coaching high school athletes at the State Championships. Frank had a passion, and a natural talent, for helping others to find their strengths, and inspiring them to become their best selves.

Frank began his Ohio teaching career at Riverside High School, where he taught English, and coached Football, Wrestling, and Boys & Girls Track. He moved to Mayfield High School in the early 1970's where he continued to share his talents as both teacher and coach, making connections with students and peers that would last a lifetime.

In 1978, Frank returned to his Alma Mater, Willoughby South High School. In his 27 years at South, he took on many roles, including Teacher, Coach, National Honor Society Advisor, Athletic Director, and Dean of Students. During his tenure, the lives of countless Rebels were affected by Frank's particular brand of guidance – a mixture of humor, encouragement, and tough love.

Upon his retirement from South in 2005, he was quickly hired as the Athletic Director at Notre Dame – Cathedral Latin High School. His knowledge and years of experience, not to mention his passion for bringing out the best in people made a lasting impression on NDCL sports.

Frank's strength was evident as he dealt with multiple bouts of cancer and heart disease throughout his life. His determination to push through adversity was a model of perseverance. Frank maintained a foundation of integrity through changing times. He believed that, "Doing what is right is not always easy, and doing what is easy is not always right." A commitment to the service of others was at the core of his spirit. Sadly, as he continued his life's work at NDCL, Frank passed away in November of 2017. His Legacy certainly lives on through his wife Wendy, his children and grandchildren. His family, and the countless others who knew him, are living testaments to the man he was.

To honor his memory, and the work he did throughout his life, we have established the Frank Platzar Legacy Scholarship. Our goal is to continue Frank's mission of helping students, particularly well rounded students, to recognize their own strengths, and to achieve their full potential, by offering scholarships for graduating seniors to continue their education.
